Hospital Drive Not Closed.

It is very difficult at the present time to be specific as to the hospital drive for \$50,000 for the Annie M. Warner Hospital. Inquiries of the various banks in many cases bring the response that the drive is not complete, and until finished, figures are withheld. Charles W. Gardner, central chairman of the drive, declares that from all reliable information in hand that he can safely say \$50,000 has been raised. The Mennonite Church of Mummaburg, in campaign for equipment furnished the woman's ward and have now generously added to the previous gift the sum of \$8,000 for endowment purposes. The two furniture factories of this place, the Reaser Furniture Company and the Gettysburg Furniture Company, have voted contributions of \$4,000 each. One or more gifts of \$5,000 each have been given and many lesser ones. The First National Bank of Gettysburg, aimed to raise a quota of \$15,000 and announced ten days ago that that point had been reached. The school children of the town have pledged themselves to raise \$400 and already \$150 of this amount has been paid in. Returns are coming in from schools and Sunday Schools and organizations of the county. The rummage sale of the families of the Lincoln Trust Company added \$400 to the fund.

The X-ray machine for the hospital had arrived during the past weeks and was unpacked and installed last week. It is one of the latest and most modern of machines and excellent results have already been obtained. The modern X-ray machine is a wonder and simply eliminates all uncertainty in the diagnosis. The hospital is ready to be opened which will be as soon as trained nurses have been secured. The prospects seem good that nurses can be secured at an early date and an official announcement will be made as soon as nurses can be had.

The Endowment Fund of the Hospital has received contributions from the following organizations this week: \$50 from the Dependable Class of the Biglerville Reformed Sunday School; \$35 from Table Rock Public School; Miss Eva Boyer, teacher; \$35.00 from Bushey's School in Latimore township; C. B. Gardner, teacher; \$25 from the Donaldson Paper Company, of Harrisburg; \$30 from Mrs. J. Willis Weigle's Sunday School class of Christ Lutheran Church at Aspers.

DATE FOR ELECTROCUTION.

Governor Issues Death Warrants for Collins and Reinecker.

It was announced at Harrisburg on Wednesday that Gov. Sproul had issued death warrants for the electrocution of Clarence R. Collins and Charles C. Reinecker, for the murder of George Bushman, during the week of Jan. 31, 1921. George Bushman was murdered Oct. 16, 1918. Collins and Reinecker were convicted at the January court, 1919. The case of Collins was appealed to the Supreme Court as the only question in both cases was a technical one, whether a murderer could be tried in Adams county for a murder actually committed in Cumberland county within 500 yards of that county line. The act of 1860 fixing such a border zone was declared constitutional by the Supreme Court.

The Board of Pardons will no doubt be asked to consider the cases before execution. The next meeting of the Board of Pardons will be on Jan. 19.

Samuel Bushman Has Second Stroke.

Samuel M. Bushman, chairman of the Board of Directors of the First National Bank, suffered a severe paralytic stroke on Sunday morning at his home on Baltimore street. Less than a year ago Mr. Bushman had a slight stroke but he had recovered sufficiently to be able to attend to his duties at the bank. This second attack completely paralyzed the entire left side of his body. Mr. Bushman's brother, Joseph Bushman, who suffered a light stroke several weeks ago, is now able to walk about.

MARRIED ACROSS THE LINE

LITTLESTOWN MINISTER GOES ACROSS LINE TO USE LICENSE.

Gettysburg Minister Marries Couple, the Groom Being Beyond Three Score and Ten.

Krug-Forney.—At 9:30 o'clock last Saturday night when Arthur Krug and Miss Mary Forney, of Key-Mar, Md., knocked at the door of the parsonage of St. Paul's Lutheran Church in Littlestown, expecting to be married by Rev. H. Clay Bergstresser, they did not know that a Maryland license could not be used in Pennsylvania. The minister explained the situation and told how another Littlestown minister had escorted a couple over the line and married them under the shade of a maple tree. It took but a moment to lay this plan before the young couple, and they acted accordingly. Taking Rev. Bergstresser along with them in the buggy they drove two miles down the Baltimore pike, stopping just over the State line. There, under the light of two oil lamps that were fastened on the top of the vehicle, the service was read. An hour later the trio were back in Littlestown, much elated over their adventure. The newlyweds continued on their honeymoon trip home.

Diller-Shumaker.—Addison Diller, aged 72, was married to Mrs. Ida J. Shumaker, aged 52, in the United Brethren parsonage, Gettysburg, by Rev. E. H. Hummelbaugh, Dec. 9. Both Mr. Diller and his wife are residents of Monroe township, Cumberland county. The groom's previous wife died Feb. 12, 1918, and the bride's previous husband expired Jan. 7, 1920.

Motter-Koutz.—W. Rein Motter, one of the proprietors of the Central Hotel, Taneytown, and well known in Gettysburg, and Miss Erma Romaine Koutz, daughter of Mr. and Mrs. George E. Koutz, were married in Westminster on Monday night. The ceremony was performed by Rev. Chalmers Walck, of the Reformed Church, at the parsonage. While the ceremony was private, it was not unexpected by the many friends of both. Mr. and Mrs. Motter left on Tuesday on a trip to Atlantic City and Niagara Falls.

Sheely-Kale.—Miss Eliza Kale, daughter of Mrs. George Kale, of Mt. Pleasant township, and Jacob S. Sheely, of Hanover, were married last Sunday evening in St. John's Lutheran Church parsonage, Littlestown, by the Rev. I. M. Lau. The bridegroom is employed at Littlestown as a cigarmaker. They will reside at the home of the bride for the present.

Baker-Bair.—Miss Ruth E. Bair, daughter of Mr. and Mrs. Harry E. Bair, of Pennville, formerly of this county, and Earl E. Baker, of Shippenburg, were married last Saturday evening in Christ Reformed Church parsonage, Littlestown, by Rev. Dr. F. S. Lindaman. The bride is a graduate of the Cumberland Valley State Normal School, Shippenburg, of the class of 1917. For two years she was a teacher in the Penn township schools and last fall she was elected a teacher in the York schools.

Sell-Dubbs.—James A. Sell, son of Mrs. Anna Sell, of Midway, this county, and Miss Estie Dubbs, daughter of Mr. and Mrs. David Dubbs, of Hanover, were married by Rev. Dr. M. J. Roth in the parsonage of Trinity Reformed Church. They were attended by Richard Trone and Miss Jennie Dubbs, sister of the bride. On return for a wedding trip they will reside with the groom's mother.

Wintrose-Koontz.—Miss Martha M. Koontz, Myers District, Carroll Co., Md., and Roy E. Wintrose, son of Mr. and Mrs. John Wintrose, Mt. Pleasant township, were married on Sunday morning in Christ Reformed Church parsonage, Littlestown, by Rev. Dr. F. S. Lindaman.

Breighner-Poole.—Miss Dessie M. Poole, of Tyrone township, and Roy E. Breighner, of Butler township, were married by the Rev. T. C. Hesson in the Reformed parsonage at Arendtsville. Mrs. Breighner is a daughter of Mr. and Mrs. C. F. Poole, while her husband is a son of Mr. and Mrs. Frank Breighner.

Black-Crist.—Miss Mabel Catherine Crist, of Tyrone township, daughter of Willis E. Crist, of York, and James M. Black, son of Mr. and Mrs. Samuel H. Black, of Menallen township, were married in the M. E. parsonage, Gettysburg, last Saturday afternoon by Rev. Harry Daniels. They will reside in Bendersville.

Local Firm Buys Third Plant.

Samuel Spangler and J. Price Oyler of the firm of Spangler & Oyler, have just returned from a trip to Martinsburg, W. Va., where they closed out a deal for the purchase of the Green-castle Hide and Rendering Co. This makes the third plant to be owned by the local firm, for in addition to the original plant along the Lincoln Highway East, they have a very modern plant at Frederick, Md.

CHARGES AT COUNTY HOME

INVOLVING THE MATTER OF FOOD FURNISHED.

The Charges Should be Investigated and the Responsibility for Them Located.

The County Home management has become involved in a very serious charge and one exceedingly distressing, as it concerns the food which has been furnished the old men and women who have become charges of the county. These unfortunate have been complaining for weeks and their complaints have had to do with the condition of the food when served to them, its preparation and its sameness and sufficiency. That their complaint is based upon real conditions and not exaggerated is proven by the position of the physician of the Almshouse, Dr. J. P. Dalbey. Dr. Dalbey called attention to the complaints of the old men and women and added his observation and judgment that the charges of the county were not being given sufficient nutritious food. When the Doctor first called the attention of the Directors to the condition there was some improvement but soon conditions became as bad as ever.

The condition has grown so serious that Dr. J. P. Dalbey has announced that he would resign at the end of the year, as he was unable to have the condition remedied.

It would be a crying shame upon the county, if the physician of the County Home was allowed to resign, or his resignation accepted. He has been the best friend of these poor people. He has sought in every way in his power to overcome the condition. He has advised and urged those who should, to help the condition. He has taken many of the inmates to his own home in the past months to give them a nourishing meal. The physician who has done what Dr. Dalbey has done for the poor people of the County Home is the faithful public servant who should be retained to protect those at the Home. The conditions can not be corrected by the Directors of the Poor by allowing the faithful physician of the Home to go. He should be retained and those responsible for the condition should go.

Who is to blame? That is a difficult question to answer at this stage of events. The Directors of the Poor should go to the bottom of the charges with an inquiry and find out what the conditions are and who is responsible for them. This should be done in a fearless way and let the blame go where it belongs. The inquiry should be by the Directors and should be taken as testimony so that exact conditions can be ascertained. The public is entitled to the facts, they are paying the bills for the management and the facts as developed should be given the public as well as the conclusion as to who is responsible for them.

If the Directors of the Poor are unwilling to undertake the inquiry, then the next step would be for the Grand Jury to hold a special session and take testimony and make a report and recommendation. It is most unpleasant to contemplate that the wards of the county have not received the care and attention in the matter of food that they should have received and the charges should be referred to the bottom. The Directors owe this to the people.

Produce Great Harvest.

The farmers of America have again justified the faith of the Nation in their ability to meet its requirements of food, feed, and raw materials for clothing, says the Secretary of Agriculture in beginning his annual report to the President. They have produced this year in the face of enormous difficulties, he continues, the largest harvest in the history of American agriculture with a single exception.

The corn crop of 3,199,000,000 bushels is unprecedented, representing more than four-fifths of the world's production. The sweet potato crop of 106,000,000 bushels is the largest ever produced and far in excess of that of any other years except 1919. The rice crop of 52,000,000 bushels is one-fourth greater than the largest crop ever before harvested. The tobacco crop of 1,476,000,000 pounds considerably exceeds any previous yield. The sugar-beet crop is more than one-third larger than the largest ever before recorded. The grain sorghum crop of 1,900,000 bushels is 18 per cent. above that of 1919, which was itself a record crop. The potato crop of 421,000,000 bushels has been exceeded only once, and then by a very narrow margin. The oats crop of 1,444,000,000 bushels has been exceeded only three times, and the tame hay crop of 88,000,000 tons only twice. The apple crop of 236,000,000 bushels has been exceeded only once, in 1914. The yields of wheat, barley, buckwheat, peaches, peanuts, edible dried beans, flaxseed, and cotton are slightly below the average, but they nevertheless, represent an enormous volume in the aggregate. The number of all classes of live stock on farms, although less than the number in 1919, exceeds by 18,214,000 the average for the five years preceding the outbreak of the European war.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or ringing in the ears, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous lining of the Eustachian Tube. Dr. Thomas' Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Dr. Thomas' Catarrh Medicine. Circulars free. All Druggists, 71c. E. J. CHENEY & CO., Toledo, O.

Don't Treat Kidneys Rough, Warns Dr. Carey, Specialist

Constant Flushing May Injure the Delicate Organism and Seldom Removes the Poisonous Deposits.

Now that Dr. Carey, kidney and bladder specialist, has retired from active practice, he generously warns people that even the smallest symptoms of kidney trouble should have serious attention.

Backache, for instance, puffiness under or specks floating before the eyes, heavy feet and dry skin, are also danger signals.

"Thousands die yearly because they neglect their kidneys," says Dr. Carey, "and I feel upon retiring that I should tell all who even suspect kidney or bladder trouble about my prescription, Marshroot, which, during my active practice, has cured thousands of all kinds of kidney ailments."

This prescription has been given to pharmacists generally throughout America and is dispensed by them under the name Dr. Carey's Marshroot, a name that every sufferer from kidney trouble should remember. Shuman's Drug Store can supply you.

GETTYSBURG EVIDENCE FOR GETTYSBURG PEOPLE

The Statements of Gettysburg Residents Are Surely More Reliable Than Those of Utter Strangers

Home testimony is real proof. Public statements of Gettysburg people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Gettysburg statement.

And it's for Gettysburg people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

Geo. E. Stover, 147 Hanover St., says: "About a year ago I had trouble with my back and kidneys. There was stiffness and a bearing-down ache just over my hips. My kidneys acted too often after the slightest cold. I heard of Doan's Kidney Pills and got some at the People's Drug Store. Doan's quickly gave me fine benefit. I haven't had to use any kidney medicine since and I believe the results are permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stover had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.

For a Merry Christmas

G. W. Weaver & Son

Dry Goods and Department Store

Gettysburg, Pa.

It Seems as Though the Whole World Just Lived for Christmas!

It is the one glorious day of all the year—the day made sacred to Happiness.

Everybody looks forward to Christmas, for months, and one month of the year is practically given over to preparations for its enjoyment.

The little folks are radiant with expectations, and grown-ups bubble over with eager anticipations.

We all love to receive things; but how infinitely greater is the joy of GIVING THINGS and seeing the delight of those who receive them from us.

That is why Christmas means so much to the world. Once every year, at least, we bring our offerings to the altar of UNSELFISHNESS.

All year we may strive and struggle for our own aims and benefits, and we might come to think that getting was the only happiness. But Christmas comes, and we are delighted to find the vastly greater joy of giving.

How mightily the Christmas spirit adds to the value of the things that a few dollars will buy—for after all, it is the thought and the good will that go with the gift that create the happiness that it gives.

The gift is only the vehicle of the Christmas message, and in providing the vehicle for your kind expressions, we render a valuable service at this time.

With a Complete Stock of everything usually found in a Dry Goods Department Store—Rightly Priced Too.
